SALISBURY STATE COLLEGE

OCTOBER 1972

GALA HOMECOMING SET

— "FOOTBALL — HITS SSC CAMPUS"

Just as our college is growing and progressing, our Homecoming becomes more meaningful each year.

Homecoming 1972 will be the most significant yet with the addition of intercollegiate football to go along with soccer, reception, lunch and dinner, as well as a dance.

The addition of football is an exciting development, because the Sea Gull team is not just a so-so team. As the 31-0 opening game victory is evidence, the team will be a remarkable first-year effort.

Let's make this Homecoming the first of a new breed! Send in your reservations now.

"E. S. GRIT TO PLAY AT DANCE"

One of the most popular band groups on the scene today will be playing for the Alumni Dance.

Alumni — mentioned above are two of the many activities scheduled for Homecoming, Saturday November 4, 1972. We hope that you will plan to attend this jam-packed day to make another SSC Homecoming successful.

Registration will be held in Holloway Hall for all Alumni — 10 a.m. to 1 p.m. and 3:30 to 4:30 p.m. Please send in your

reservations and money for events as we will have the tickets ready for you to pick up at the Registration Table. Only football and dance tickets will be sold Saturday at the Registration Table. So get your name in the pot early!

You may have lunch at the Dining Hall for \$.75 between 11:30 a.m. and 1 p.m. Please indicate on the tear-off registration form in this issue if you are interested in having lunch in the Student Union Dining Hall. We must have an accurate count.

The Alumni Association Executive Board invites you to attend the business meeting in the Caruthers Hall Auditorium at 1:00 p.m. Important business of the Association will be discussed with the election of new officers.

At 2:00 p.m. the Soccer Game will be played and we know most the Gulls soccer fans will be there. While the game is in progress, the Alumni Association will be selling beer mugs (with an added attraction) in the hall way near the Caruthers Hall Gym. We hope all will enjoy this extra!

After this sporting event, we invite all Alumni to the Punch Bowl in the Gold Room between 5:00 and 5:30 p.m. to socialize with classmates and friends. Following this a Buffet Dinner will be served in the Student Union, with a cost of \$3.50 per person. Hope to see you there!

Then it's off to the Wicomico County Stadium on Glen Avenue for a 7:00 p.m. football game. The Sea Gulls will play their last game of their very first season against Trenton. Featured at halftime will be a band, floats made by the students, and an award presented by the Alumni Association for the best float.

IDEAS FOR MEMORIAL FUND

As many alumni are aware, this Association has been working closely with College administration in preparation for making a contribution of alumni funds to the College.

There has been much interest in identifying ourselves with and participating in the exciting changes taking place now at Salisbury State and so we had planned to earmark the funds mentioned above for a decorative gateway structure either at the Route 13 entrance of the College or at the corner of Rt. 13 and College Avenue. This Association felt that such a beautifying structure would serve as our permanent memorial on the campus.

There have been a number of problems preventing our carrying out such a project. These include changes in the relocated front entrance, redesigned scheduled dormitories, securing approval from the State of Maryland for our design and the problem of relating our design to the planned design along the front of the campus.

The State plans are still not finalized to the point where we could proceed and we just don't know when such a plan could be carried out. The sum is invested in a savings account by Treasurer James Plutschak and is earning interest.

Since our gateway project no longer seems feasible at this time, the officers of the Alumni Association have sought alternatives or suggestions from the administration to determine if there were any unmet needs of the College which the Alumni Association could assist in providing. Suggestions of the administration included exterior bulletin boards, campus directories and Carillon bells.

Our Association feels that the Carillon bells would be a fine permanent addition to the campus. In addition to providing Westminster chimes every half hour, the "Coronation" Carillon has automatic access to play musical selections as desired. Twenty-five English-type melody bells will play any musical rendition, either live or by roll player. Such a fine addition would provide a real college atmosphere to the campus, would serve as a constant reminder of our Alumni Association gift and would provide enjoyment to each alumnus returning to the campus.

Your Alumni Association would like to have an indication of your desire as to how to allocate the money and possibly earmarking future contributions to the Association.

Please complete the questionnaire below and return to the College immediately.

QUESTIONNAIRE

I would prefer that the Memorial Fund be utilized for:

- Carillon Bells
- Outdoor Bulletin Board & Campus Directory
- Football Scoreboard
- Gateway (to be located later - funds to be held)
